## **Content Marketing: Advertorial**

Our advertorial is an "online information brochure" that consists of one main article. It is ideal for advertising a selected topic over a medium-term period and creates the opportunity to distribute more detailed information on the advertised topic.

## **Required material**

- Informational and texts about the chosen topic
  - Option 1: Client provides the text (1 page) or
  - Option 2: finanzen.net writes the text (based on the provided material)
- Images can be provided by the client or will be chosen by finanzen.net
  - Header (980x450 px)
  - Images within the content: customized dimensions
- Duration: 4 weeks
- 10,000 clicks guaranteed

Creation time: 3-4 weeks (depending on the provided materials, significantly faster when complete texts are delivered)
